**Student Vehicle Policy**

1. At no time during the regular school day will students park their vehicles in an area other than the designated student parking lot to which they have been assigned.
2. Students will neither congregate nor visit around student or faculty cars at any time during the school day, including lunch break.
3. Students are not allowed to drive or ride in vehicles during lunch break.
4. Students participating in after-school activities will not move their cars from the student parking area until they have completed their training for the day.
5. Excessive speed or careless driving will result in suspension or revocation of school parking privileges as well as possible detention or suspension from school.
6. A student vehicle may be searched at any time by the principal or his/her designee providing that there is reasonable suspicion.
7. In the event that there is a limitation in the number of parking spaces available, students from the upper grades will be given priority, in addition to those with the greatest need.
8. Tardies related to vehicle problems are unexcused.
9. All students have access to bus transportation, which is the recommended form of transportation to/from school.
10. Snowmobiles and ATV's are not to be driven or parked on school grounds at any time unless prior approval is obtained from the principal for a class project.
