Superintendent Evaluation Goals Discussion. Jessica, "What exactly are our goals tonight?" Bruce's goals are that he wants to work on 1. Governance, Board Relations and 2. Educational Leadership

We had discussion about the evaluation to determine the best way to evaluate. Our plan is to go over the evaluation at home, score each section to the best of our knowledge to get a baseline. Each month during our workshop we will go over one section together until December when we will be caught up. December is the month that we will do this new evaluation.

This May we will use the old evaluation form from NEOLA to evaluate Bruce for this school year.

Bruce's goal is to become highly effective in all areas.

Bruce will submit the Board Members e-mails to MASB to keep us informed on new laws or changing laws.

Board Discussion- James Loftin is scheduled to come to NCA for Seth Polfus award ceremony. Our next regular meeting is Thursday, April 20<sup>th</sup> in Powers. Our next Workshop is scheduled for Thursday, May 4<sup>th</sup> in Hermansville. Honor Society Discussion. John, would like to see the board members emails on our website along with our phone numbers. Craig, would like to see the board members

names on the board when you walk into school. Finally, please add to the Workshop agenda 1. Committee Discussion 2. Board Discussion
